Welcome to 2134 Carpenter Street, a beautifully updated home on a 16ft wide lot that blends thoughtful design with modern comfort across multiple spacious levels. A striking new brick façade replaced the old stucco and oversized casement windows plus skylight fill the home with natural light, highlighting hardwood floors, crown molding, and recessed lighting throughout. The main living area is bright with high ceilings and a thoughtfully placed central staircase enhances the connection between the living, dining, and kitchen areas while maintaining an open, airy layout. At the rear of the open-concept main floor is a well-appointed kitchen with two-tone cabinetry, granite countertops, stainless steel appliances (all replaced within the last 2 years!) including a GE French door refrigerator with bottom freezer, a dedicated coffee (or wine!) bar, and a large pantry. A convenient first-floor laundry closet with GE front-loading washer adds
